

**DECLARATION, POWER OF ATTORNEY, AND PETITION**

To The Commissioner of Patents and Trademarks:

I, Saleh A. Elomari, declare:

that I am a citizen of \_\_\_\_\_ residing at Richmond, CA and having a post office address of \_\_\_\_\_;

that I have reviewed and understand the contents of the attached specification and claims and I verily believe I, Richard N. Reynolds Jr. and Steven J. Herron are the original, first, and joint inventors or discoverers of the invention or discovery in **PROCESS FOR THE REMOVAL OF CONJUGATED OLEFINS FROM A MONOOLEFIN STREAM** described and claimed therein and for which a patent is sought;

that this application is a nonprovisional application of U.S. provisional application no. 60/215,583, filed June 30, 2000;

I acknowledge my duty to disclose to the U.S. Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37 Code of Federal Regulations § 1.56;

and I hereby appoint Edward L. Bowman, Registration No. 27,116; Bion E. Hitchcock, Registration No. 26,613; Polly C. Owen, Registration No. 44,991; Reece A. Scott, Registration No. 41,297; Charles W. Stewart, Registration No. 34,023; and Archie W. Umphlett, Registration No. 25,935, each attorney a member of the Bar of the State of Texas, the State of Oklahoma or the District of Columbia; my representatives with full power of substitution and revocation, to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.

Wherefore I pray that Letters Patent be granted to Chevron Phillips Chemical Company LP, a limited partnership organized and existing under the laws of the State of Delaware and domiciled and having an office at Houston, Texas, as assignee, for the invention or discovery described and claimed in the foregoing specification and claims, and I hereby subscribe my name to the foregoing specification and claims, declaration, power of attorney and this petition.
